Message Body:

I have a self directed ira, [REDACTED] I would like to expand my portfolio and purchase Ripple/XRP. How can I do this as most exchanges I have looked into don't cater to organizations/institutions? My shares need to be purchased under my [REDACTED] due to the structure of the self directed ira.
Any help is greatly appreciated. I really like what Ripple/XRP is trying to accomplish and would like to start out with investing \$50,000.

Thank You,
